

multi skylar

Skylar 3m, 4m and 5m

The innovative Multi-Skylar structure provides an organic shade solution for any outdoor space. With the opportunity to mix and match sizes and position the units in clusters, this elegant canopy arrangement has a multitude of uses.

Typical Applications

- Signage
- Sculptural Shade
- Meet and Greet Point

Size options

- 3m configuration
- 4m configuration
- 5m configuration

Technical details:

Framework

Framework is mild steel, in either a galvanised finish or polyester powder coated to most RAL colours.

Fittings

Marine grade (316) stainless steel fixings plus anodised aluminium extrusion.

Fabric canopy options

- PVC coated polyester, available in 8 colour-fast shades, with a life expectancy of 20 years.
- Environmentally friendly Solar Glass Weave fabric, in off-white colour only, with a life expectancy of 30 years.

Installation

The Multi-Skylar can typically be installed in 2 days, on to concrete foundation pads by others. Requires good access for light plant equipment and installation.

Plant Machinery

- Lifter stacker
- Scaffold Tower or Podium Steps

Foundations

One below ground concrete foundation pad for one steel leg. Please request General Arrangement drawing for more information.

Adaptable

Combine into multiple configurations to create organic shapes

Lighting Systems

Lighting can be integrated, with the cabling hidden within the steel structure

Fabric Choice

Solid or mesh fabrics to give a more translucent effect
